CHARLES C. HUNT  
GRAND SECRETARY AND LIBRARIAN

American Numismatcal Society,  
Broadway & 156th St.  
New York, N. Y.

Gentlemen:

Under separate cover we are sending you a copy of our Grand Librarian's report in which we invite your attention to the section on medals and badges on pages 14-15.

The final report to appear in the Proceedings of the Grand Lodge of Iowa for 1925 will contain mention of the Marvin lists which appeared in his "The Medals of the Masonic Fraternity," 1880-84, and the articles subsequently appearing in the American Journal of Numismatics.

The Library has a complete file of these Journals from 1866 to 1911, with the exception of the volumes for 1908 and 1909, Vols. 42 and 43. Inasmuch as these numbers missing from our set contain articles on Masonic medals by Mr. Marvin, we are desirous of obtaining the required volumes and shall be pleased to learn if any can be procured from or through you; also, have there been any other articles on Masonic medals in the Journal since 1911?

The rarities in our collection will be described in an article to be prepared by Mr. J. H. Tatsch, Curator, for one of the leading Masonic periodicals later in the year. Mr. Tatsch has recently begun the display and cataloging of our medals and will continue his work until it is completed. The greater part of our medals were bought with the Bower Library in 1882, consequently, we have many of the early issues, but our collection is deficient in specimens issued in recent years.

Awaiting your reply with interest, I am

Cordially yours,

Grand Secretary & Librarian.

Dear Sir:

In response to your letter of the ninth, I beg to acknowledge with thanks the copy of your Grand Librarian's Report which I am very glad to have for our Library.

We can supply you volumes 42 and 43 of our Journal at \$2.00 per volume. There is a further reference of Mr. Marvin's in volume 44, p. 139 but this, I understand it, you have. I should be very glad if you would arrange to have a copy of the article which Mr. Tatsch is preparing sent me when it appears. We are very desirous of having all such publications.
